

Material Safety Data Sheet

1. Identification of Material and Supplier	
Product Name:	EnviroSeal ProctorWrap Black Label
Supplier:	Proctor Group Australia Pty Ltd Unit 8, 171-175 Newton Road Wetherill Park NSW 2164 Australia T 02 8788 9555 F 02 9604 7468
2. Information/Composition on Ingredients	
Identification:	Breathable waterproof membrane for use in building construction.
Composition:	Polyester spunbond with coating.
3. Hazardous Components	
Ingredients:	Non hazardous.
4. Physical data	
Appearance and odour:	Solid, various colours, according to pigments used. Odourless.
Boiling point:	Not determined.
Self inflammable:	The product is not self inflammable.
Danger of explosion:	The product is not in danger of explosion.
Solubility:	Insoluble in water and generally chemically inert.
5. Fire and explosion hazard data	
Fire-extinguishing media:	Co-ordinate fire extinguishing measure with the surroundings. Wear suitable breathing apparatus in the event of fire.
Products of combustion:	Water, foam, carbon dioxide or dry powder. Nitrogen Oxide, Carbon, Monoxide, Carbon Dioxide, water vapour
6. First Aid Measures	
Skin:	No emergency care in normal conditions.
Eyes:	No emergency care in normal conditions.
Inhalation:	No emergency care in normal conditions.
Ingestion:	In the case of an ongoing complaint consult a doctor.

7. Stability and Reactivity Data	
Main decomposition products:	Nitrogen Oxide, Carbon Monoxide, Carbon Dioxide, water.
Conditions to avoid:	No thermal decomposition if used as advised.
Incompatibility:	No dangerous reactions known.
8. Preventative Measures	
Accidental release measures:	No special measures required.
9. Special Protection Information	
Respiratory protection:	Not required.
Hand protection:	Not required. The product contains no relevant amount of any material which would require supervision because of restrictions applying to the workplace.
10. Toxicological Information	
Skin:	No skin irritation effects known.
Eyes:	No possibility of eye irritation. No sensitising effect known. With proper handling and agreed use the product has no effect which are harmful to the health in our experience and in accordance with the information available to us.
11. Handling and Storage	
Handling:	No special measures required.
Storage rooms and containers:	No special measurements necessary. Keep away from sunshine. Keep away from sources of ignition—do not smoke.
12. Ecological Information	
	In general not dangerous to water, do not disperse in environment.
13. Disposal Considerations	
	No special precautions. Dispose of in accordance with duty of care . regulations.
14. Transport Information	
	Not classified for transport.
15. Regulatory Information	
	This product does not need to be labelled in accordance with
16. Other	
	The details in this Material Safety Data Sheet are based on our current level of knowledge. However they do not constitute an assurance of the product properties and do not substantiate any contractual legal terms or conditions.
